Dear Mr. Smith

The attached PennDOT/USAF Final Focused Feasibility Study for Harrisburg IAP is provided for your use in preparation of the operable unit Record of Decision, as discussed in your July 16, 1987, letter to Lieutenant Colonel Cornelius. Five additional copies are being forwarded under separate cover. With this action completed, we are looking forward to expeditious completion of all NCP required actions, so that construction of remediation may be initiated.

Sincerely

Donald A Kane
